Our Impact

“We have thousands of kids navigating a world I couldn’t imagine how to navigate by myself. Having a caring mentor that can walk through that process is priceless.”

FYI Mentor

“My mentor is another person helping me get through the rollercoaster of life!”

FYI Student

“FYI was a missing piece we didn’t know we needed! The connection my son has with his mentor is wonderful.”

FYI Parent

“FYI is a community effort to help all young people be the best they can be in the Fishers community!”

HSE School Staff

My mentor is just awesome. He has to be one of my most trusted adults. I can talk to him about anything that's going on because not only will he listen, but he'll give me helpful advice. It's obvious that he genuinely cares about me.
